The International Travel Support Scheme (ITS) Committee considered the applications of the following scientists seeking grants for attending International Conferences/Seminars etc. which begins with **October 1st and end with 17th October 2009** in its meeting held on **08/09/2009**. The recommendations of the committee are given below. Individual Communication is being sent to the approved candidates. No communication will be sent to the "not recommended" candidates.
